

# Resultater trappeløp 17. februar 2024

## **Menn**

**Plassering**                      **Tid trapper**

### **M, 14-15 år**

Andreas Schley Vestre                      1                      00:31:23

### **M, 23-34 år**

Philip Torbjørnson Eide                      1                      00:33:53

Philip Lauritzen                      2                      00:34:29

Alexander Alemayhu                      3                      00:47:20

Kim Håvardrud                      4                      00:51:12

### **M, 35-39 år**

Oliver Skålevik Evensen                      1                      00:27:30

Eirik Stenersen                      2                      00:31:55

Torgeir Skårnes                      3                      00:35:07

Jarle Fianbakken                      4                      00:36:19

Christopher Gulbrandsen                      5                      00:39:14

Pål Haugerød                      6                      00:42:31

### **M, 40-44 år**

Per Rosén                      1                      00:27:17

Stefan Lauvli Schley                      2                      00:32:22

Ole Einar Småkasin                      3                      00:32:44

Ståle slorafoss                      4                      00:32:55

Christopher Lejonberg                      5                      00:34:07

Fredrik Lunov                      6                      00:35:41

Joachim Bydal                      7                      00:40:54

Lars Kramer                      8                      00:40:59

Cato Kristensen                      9                      00:47:42

Erling Christian Nesset                      10                      00:59:08

### **M, 45-49 år**

Lasse Trappetfolket Rypdal                      1                      00:28:16

Einar Hagemann                      2                      00:34:05

Amund Berger                      3                      00:37:34

Jon Ivar Klever                      4                      00:46:02

### **M, 50-54 år**

Espen Lunde                      1                      00:29:28

Dag eidet                      2                      00:32:01

Rune Hageaie                      3                      00:33:18

Dmitrijs Bebrišs-Fedotovs                      4                      00:50:47

### **M, 55-59 år**

Guntis Pildins                      1                      00:33:25

Birger Schjøtt                      2                      00:37:32
